### TAX Day – Ugh!!

I recently read where we work Jan. 1 through June 30<sup>th</sup> of each year, just to pay all of our taxes. In Canada, add another month or two. After that, you keep all you make. Prior to that, 100% goes to the government in some form or fashion to pay for some kind of government worker, work program, social program, defense, project, health care, common good, common bad, etc. Whatever you want to call it, April 15<sup>th</sup> is TAX day; **the deadline for filing your federal income taxes in the U.S.A. Canucks have to file by April 30<sup>th</sup>. Why April?**

So in celebration of this special time of year, let's talk TAX relief. If you received last month's letter from me, you will recall our goal of trying to raise \$10,000.00 for Primary Children's Hospital. But – we need your help and I believe you can benefit from the TAX relief as well.

Just down the street from where I am typing this, Primary Children's Hospital has a full house of kids fighting for their lives. For them and their parents taxes are not "top of mind", health is. Living is. **Surviving is.** As you may have heard, Primary Children's Hospital is front and center in the fight against nasty diseases that destroy or cut short the lives of Children. We are thankful to have such a wonderful facility close by, doing such great work to help heal and save our children.

- ⇒ ...and More!!

So even though we are trying to figure out how much we owe the tax man, **many are simply hoping they can be here to actually pay taxes.** This is why we here at Huntington Real Estate Group, have resolved to do what we can to help.

For every house we sell this year, we are donating a portion of our income to Primary Children's Hospital. Our goal, again, is to raise \$10,000 to help them in their quest to Heal, Save, Cure and Comfort Children under their care.

## This is where we need your help and how you can benefit at the same time...

Charitable contributions are tax deductible to a point. Rather than give your money to the government, you should consider making a donation to a charity. If you like this idea, we will match your donation up to \$250 if you decide Primary Children's Hospital is a good place to donate. Check with your CPA to verify the deduction allowed on your taxes before pursuing this avenue.

## Either way, your referrals are in good hands and help us contribute to a good cause.

Life moves fast for some and we are eager to make the Home Selling and Buying experience a smooth rewarding one. Over the last 15 years of helping several hundred families sell their home and/or buy another, we have met some wonderful, loving, caring people. People like you! So for your referrals, those you know considering a move, that we help – you can rest assured that not only will they get the award winning service we are known for, but that **a solid portion of the income we receive from the transaction will go toward a very worthy cause.**

# Your Referrals Help the Kids...

## Your Referrals Really Do Help the Kids...

I want to make it easy to refer your friends, neighbors, associates or family members considering making a move, so here are your options:

1. You can pass along our business card to them, I have enclosed a couple here for that purpose.
2. You can go to [www.HuntingtonTeamReferrals.com](http://www.HuntingtonTeamReferrals.com) and enter their contact info on line or forward the link to who you know considering a move.
3. Of course you can always call me direct as well at 801-554-3743.

You and your referrals mean more than ever to my team and I. As we move forward in this new season, please know we are extremely thankful for you and your being a special part of our business.

With all my appreciation.

Marc Huntington, CEO

IMPACTFUL REAL ESTATE NEWS

## Why I Support Primary Children's Hospital.

I grew up right here in Utah, in fact I was born right in the small town of Provo Utah. I remember when I first heard about a young person close to our family suffering from a nasty disease and getting treated for that at Primary Children's. It was then that I began to pay closer attention to the work they do at that hospital. Since then, I have learned that it is a collection of hard working health care professionals, all coming together for a common cause. That cause is to help young people overcome unfortunate health issues that life sometimes throws our way. Being an Utah native, I take pride in supporting in a way that I can assist the good work these people do at Primary Children's. My team rally's around our annual goal of raising money and donating portions of our income to help Primary Children's in their quest to heal young people when they need healing. My team and I are committed to providing outstanding results for buyers and sellers referred to us by our past clients. I have discovered that Primary Children's Hospital, shares similar commitments to their patients. And since their services survive on sponsorships and donations we are happy to contribute and proud to support them.

Sincerely,  
Marc Huntington
